## Recognizing April 2017 as Sexual Assault Awareness Month

**WHEREAS**, Sexual Assault Awareness Month calls attention to the fact that sexual violence is widespread and impacts every person in this community; and

**WHEREAS**, Rape, sexual assault, and sexual harassment harm our community, and statistics show one in five women and one in 71 men will be raped at some point in their lives; and

**WHEREAS**, Child sexual abuse prevention must be a priority to confront the reality that one in six boys and one in four girls will experience a sexual assault before age 18; and

**WHEREAS**, Young people experience heightened rates of sexual violence, and youth ages 12-17 are 2.5 times as likely to be victims of rape or sexual assault; and

**WHEREAS**, On campus, one in five women and one in 16 men are sexually assaulted during their time in college; and

**WHEREAS**, We must work together to educate our community about sexual violence prevention, supporting survivors, and speaking out against harmful attitudes and actions; and

**WHEREAS**, Prevention is possible when everyone gets involved. The first step is increasing education, awareness, and community involvement. It's time for all of us to take action to create change for the future and a safer environment for all,

**NOW, THEREFORE, BE IT PROCLAIMED** by the Mayor that April 2017 is "**Sexual Assault Awareness Month**" in the City of Beach City.
